General Information

Parking
On-campus parking is extremely limited. A parking pass will be given to you upon check-in at the welcome center. All cars parked on campus must display this parking pass on the dashboard. Please park only in the lots marked for reunion and only in legally marked spaces. We ask you to be conscious of the marked spaces reserved for House Fellows and those with valid accessible parking permits. Please do not park in the fire lanes in front of or along side of the residence halls. Standing for unloading should be handled promptly and cars moved immediately to legal spaces. North Lot will also be used for expanded on-campus parking.

Transportation from New York City
The college charters a bus leaving from Bryant Park and 42nd Street at 12 noon Friday and returning Sunday, leaving Main Circle at 1:00 pm. Reservation deadline is May 27.

On-campus Housing
Housing requests are answered on a first come-first served basis and cannot be guaranteed after May 27, so please do register early. We will make every attempt to house classes in the same residence hall, but room availability and special requests may dictate that some alumnae/i be placed in overflow housing. Alums preregistering for dorm housing may request to room with or be located near friends. Please indicate this on your registration form and make sure your friends provide a similar request so we can pair you up. The earlier you register, the more likely we can try to accommodate your request.
We regret that walk-ins cannot be accommodated, so please make your reservations in advance on your registration form!

What to bring
Remember, residence halls are not air-conditioned and Vassar dorm rooms are much as they were the first day you moved on campus: functional and bare. For each person registered for on-campus housing you will be provided with a twin bed, sheets, light coverlet, a towel and a washcloth. If possible, we strongly suggest you bring an extra pillow or blanket. You should bring necessary toiletries, clothes hangers, and a bedside lamp. You may also consider bringing a hair dryer, alarm clock, and trashcan. Young families should bring a playpen or portable crib. Note: Alumnae House is reserved for the earliest classes of reunion attendees. Terrance Apartments (TAs) are reserved exclusively for individual registered families of four or more. (Because many of the Terrace Apartment units have staircases, they may not be appropriate for very young children.)

Off-campus Housing
As an alternative for those who do not wish to stay in a residence hall, there are a number of nearby hotels. Many book up early due to other local events during reunion weekend, so we strongly suggest you make your reservations early. Info is available online under “housing” at vassar.edu/reunion.

Children’s Program
On Saturday evening a children’s program is available for ages 3-5 from 6pm- 10pm, and ages
6-12 from 6pm to 12am. To register or to obtain additional information, call 800.443.8196 or email vcreunion@vassar.edu. Space is limited to the first 25 children and sold out early last year. Don't miss out: register early! Unfortunately, we are no longer able to offer babysitting service throughout the weekend. **NOTE:** Student workers are not available for private babysitting or general childcare. Because they have assigned duties and are assisting all guests, students cannot be asked to “keep an eye” on any children. Except for those registered for the Saturday Wimpfheimer program, children at reunion must be under parental supervision at all times.

**Cancellation Policy**

If you find it necessary to cancel your reunion attendance, please call us at 800.443.8196, or email us at vcreunion@vassar.edu. Cancellations received after May 27 may not be eligible for a full refund.

**Late Arrivals**

The Reunion Welcome Center at the Aula is open on Friday, June 10 from 9am-10pm and on Saturday, June 11 from 9am-7pm. Anyone arriving after hours Friday and staying on campus will be directed to Security at the Campus Response Center in the lobby of Main Building for assistance and to be let into their on-campus room. Welcome packets can be picked up at the Central Welcome Center on Saturday morning during posted hours.
