ANCIENT GREECE
AN AEGEAN ODYSSEY

aboard the Exclusively Chartered,
Newly Launched, Five-Star, Small Ship LE LAPÉROUSE
with Vassar host
Professor Barbara Olsen

October 4 to 12, 2018
Dear Vassar Travelers:

Join us on this comprehensive Aegean Odyssey to the very cradle of Western civilization and the classical world, exploring the iconic jewels and legendary mythical places of Ancient Greece. Cruise aboard the exclusively chartered, state-of-the-art, Five-Star Le Lapérouse, to be launched in 2018. Le Lapérouse introduces the deluxe and exclusive Blue Eye, the world’s first multisensory underwater lounge. Featuring only 92 Suites and Staterooms, this elegant small ship is able to sail into ports inaccessible to larger vessels.

The Vassar Travel Program is pleased to offer this spectacular voyage with calls on Santorini, Delos, Mykonos, Pátmos, Rhodes and the Peloponnese peninsula—ancient destinations steeped in myth and history—and offers opportunities to visit nine magnificent UNESCO World Heritage sites. Visit the extraordinary scenic wonder of Meteora, where 24 Orthodox monasteries, built in the 14th and 15th centuries, are perched high atop soaring natural sandstone cliffs. Walk through the Sanctuary of Asklepios at Epidaurus, where the history of Hellenic and Roman early healing practices is engraved onto exquisitely preserved stelai, or inscribed stone slabs, and the Theater’s exemplary acoustics still reverberate today. Learn more about contemporary Greek island life during the exclusive Island Life® Forum, where you will meet and interact with local residents. Enjoy guided tours in these storied destinations and traditional Greek villages, with time at leisure to encounter their mysteries and delights at your own pace during the best time of the year. Aegean historian Eleni Zachariou will accompany us and share her extensive knowledge and expertise of the islands, Classical Art and Architecture and the peoples of her native Greece.

Island Life® in Ancient Greece is a popular, comprehensive travel program and an excellent value—all accommodations, meals, exclusive Cultural Enrichments and one excursion each day are included, and you only need to unpack once! Space is limited on this Aegean Odyssey, so book now!

Sincerely,

Barbara Olsen

The bronze stag symbolizes the Colossus of Rhodes, one of the Seven Wonders of the Ancient World.
The Roman writer Cicero (106–43 B.C.) observed of Athens that “wherever you set your foot, you encounter some memory of the past”; the same can be said for all of Greece. Here, in the cradle of Western civilization, glorious 14th- to 15th-century Orthodox monasteries were built atop extraordinary towering sandstone cliffs. St. John the Apostle is believed to have penned the Book of Revelation on the island of Pátmos and the legend of the lost paradise city of Atlantis lives on in Santorini. Imagine Odysseus seeking redemption in the Underworld or Orpheus retrieving his lost love as you experience the islands of Classical mythology. Envision ancient daily life at evocative archaeological sites, such as the Sacred Way and Akrotiri, and experience exclusive, local Cultural Enrichments, including an Island Life® Forum with Patmians who will share their candid perspectives about life today on the ancient island, a folklore show and an authentic baklava culinary demonstration.
Athens, Greece
Birthplace of democracy and home to many of history’s greatest philosophers and poets from Socrates to Herodotus, Athens is unmatched in its contributions to early Western civilization.

Meteora
From the attractive port city of Volos, birthplace of legendary Argonaut Jason, travel across the fertile Plain of Thessaly to the seldom-visited natural wonder of Meteora—Greek for “suspended in the air”—an extraordinary enigma of virtually uncharted Orthodox monasteries. This breathtaking UNESCO World Heritage site was constructed in the 14th and 15th centuries a staggering 1300 feet above the valley floor, atop soaring natural sandstone pillars, where the early Christian traditions of these monasteries have continued uninterrupted for hundreds of years. Visit one of the four active monasteries, originally accessed by way of long ladders and baskets suspended on ropes, but today accessible by travel on a modern road overlooking verdant Peneas Valley with impossibly majestic sights.

Delos
The mythical birthplace of Apollo and Artemis, Delos is today a UNESCO World Heritage site. It is considered to be one of the most sacred islands in the Greek world, as central to Grecian spiritual life as Olympia and Delphi.

Almost completely intact, the fourth-century B.C. theater at Epidaurus is world renowned for its near-perfect acoustics.

Walk along the Sacred Way to the Sanctuary of Apollo, a spectacularly rich archaeological site with remains of three separate temples from the fifth and sixth centuries B.C. Delos’ awe-inspiring ruins also showcase an entire district of Hellenistic and Roman-era houses and a 5500-seat theater (300 B.C.), the site of choral competitions during the Delian panegyris, or ancient quadrennial festival honoring Apollo.

See the legendary Terrace of the Lions, dedicated to Apollo, where hand-carved marble statues have guarded the island for nearly 2600 years (the original lions are in the Delos Archaeological Museum).

Mykonos
According to ancient legend, the craggy hills and clefts of Mykonos were formed from the petrified bodies of giants defeated by Hercules. Mykonos’ iconic windmills, bright white, cube-shaped houses and azure bays epitomize the striking beauty of the Greek Isles.

Cultural Enrichment:
Enjoy an afternoon at leisure to explore Mykonos’ quaint, narrow streets lined with whitewashed houses and boutiques or to sip ouzo harborside in Mykonos’s Little Venice.

Pátmos
The small island of Pátmos and its Greek Orthodox Monastery of St. John, St. John the Apostle is believed to have written the Book of Revelation in the Cave of the Apocalypse on Pátmos.
a UNESCO World Heritage site, loom large in the history of Christianity. Tour the monastery, built in 1088 and still inhabited by monks who continue to preserve it as a pilgrimage site and place of religious study. See the Cave of the Apocalypse, where St. John the Apostle of Ephesus very possibly wrote the Book of Revelation in A.D. 95.

**Cultural Enrichment:**
Meet local residents who will discuss contemporary daily life on these ancient islands during the specially arranged Island Life® Forum.

**Rhodes**
The island of Rhodes has been one of the most prosperous and strategic strongholds in the eastern Mediterranean since the Neolithic Period. Dock at the fortified wall of Rhodes Town, a UNESCO World Heritage site, and step into this extraordinarily well-preserved medieval city, built over a great Hellenistic metropolis and a major Christian outpost during the Crusades. Visit the splendid 14th-century Palace of the Grand Masters, built by the Knights of St. John and one of the only examples of Gothic architecture in all of Greece.

**Cultural Enrichment:**
Join the excursion to the ancient village of Lindos. See the magnificent frescoes adorning the Byzantine-style Church of Panagia and ascend the stone stairs to the clifftop acropolis for breathtaking views of the medieval Castle of the Knights of St. John. Or, enjoy a morning at leisure in Lindos to further explore its rich history and charming streets.

**Santorini for Akrotiri**
Be on deck as the ship cruises into the captivating harbor at Santorini, a natural caldera, beneath which is believed by some to be the legendary lost city of Atlantis. A cable car descends to sea level from the elevated town of Fira, where stunning white-walled buildings stand in stark contrast against the dark volcanic cliffs.
Blue Eye – The World’s First Luxury Underwater Observatory

Exclusive to the Ponant fleet is the extraordinary Blue Eye, a multisensory underwater observation lounge that incorporates bionic and biomimetic technology to immerse you in the beauty of the ocean’s ecosystem. Observe marine life through the large subaquatic windows and on digital screens projecting underwater activity in real time, while specially designed hydrophones echo the ocean’s ebb and flow and relay the sounds and senses beneath the water’s surface. Wildlife viewing varies by location.

Luxury Small Ship, Innovative Design

Le Laperouse, launching in 2018, ushers in a new generation of Five-Star small ships, combining revolutionary design and a new standard of luxury for an unparalleled cruising experience. Dock in smaller ports inaccessible to larger ships and where authentic cultural experiences and majestic scenery await you.

Respect for the Environment

The newest addition to the Ponant “Clean Ship” fleet, a rare designation among ocean-cruising vessels, the ship is energy efficient and eco-friendly, protecting fragile marine ecosystems while providing a safe and comfortable voyage.

Chic and Casual Dining

Dine indoors or alfresco on international and regional cuisine served in the stylish, spacious indoor-outdoor restaurant, at the casual pool deck grill or from 24-hour room service. Daily meals include continental and buffet breakfasts, buffet lunch, afternoon tea and four-course dinner.

Each Five-Star Stateroom and Suite (up to 484 square feet) features a private balcony. Grand Deluxe Suites have a bay window and spacious private terrace. Accommodations offer two twin beds or one queen bed, individual climate control and luxurious hotel amenities.

Life on Board
