Dear Vassar Travelers,

I am delighted to welcome you to Vassar’s first-ever trip to Poland, a country of great beauty and complex histories. Within the UNESCO World Heritage-designated cities of Warsaw and Kraków, timeless traditions unfold against a mosaic of neoclassical palaces, Gothic churches and Renaissance castles. In the terra incognita of Poland’s rural heartlands, cultural pride and spiritual devotion unite and define a nation still evolving democratically while flourishing economically.

As a historian of 20th Century Europe, I am excited to have you and your family and friends join me on this trip, which promises new discoveries and great conversations! Together we will enjoy a private piano recital of Frédéric Chopin’s music in neoclassical Łazienki Palace and view Poland’s most treasured artworks, including Leonardo da Vinci’s Lady with an Ermine in the Czartoryski Museum and paintings by Bernardo Bellotto in the opulent Canaletto Room of Warsaw’s Royal Castle. We will explore the wonder and devotion inspired by the Black Madonna at the national shrine of Jasna Góra in Poland’s spiritual capital of Częstochowa and see, by special invitation, the medieval illuminated manuscripts and 18th-century frescoes of the Jasna Góra Library. We will travel through Poland’s bucolic countryside to the UNESCO-designated Wieliczka Salt Mine, a subterranean labyrinth of ornately sculptured chapels and chambers, but also visit pivotal sights of World War II history.

Join me as we wander through Warsaw’s colorful Old Town Market Square and Kraków’s Rynek Główny (Main Square), where the magnificent Cloth Hall has housed a bustling market since the 14th century. Together we will discover Kraków’s revitalized Jewish Quarter of Kazimierz and learn more about Poland’s centuries-old culture and contemporary life during the exclusive Town & Country Life® Forum with local Kraków residents. Experience quintessential Polish hospitality and regional cuisine while staying in elegant, deluxe hotels in the very heart of Warsaw and Kraków’s vibrant Old Towns! If you have ever considered visiting Poland, this might well be the time! I cannot imagine a better way of traveling there than with this carefully curated, one-of-a-kind, small-group travel program that offers exceptional value and a fascinating immersion into Poland’s history, culture and spirit. I encourage you to book now while Early Booking Savings and space are still available. Hope to see you this coming summer!

Sincerely,
Paulina Bren

**Stroll through Warsaw’s 13th-century Rynek Stare Miasto, a harmonious Old Town Market Square.**
Warsaw, Poland

Warsaw is a thriving city, rich with architectural jewels and cultural treasures, and its rebirth makes it one of the most interesting cities in Europe. The Historic Centre of Warsaw is a UNESCO World Heritage site, and includes the Stare Miasto (Old Town) which showcases a masterful recreation of Gothic and Baroque structures with exquisite period detailing. Timeless rituals echo through the Old Town Market Square, the city's heart and soul, where 17th-century merchant houses with decorative, multi-hued facades now contain acclaimed museums, wine cellars and restaurants. Cobblestone streets lead to the magnificent 14th-century St. John's Archcathedral, a sublime Gothic reconstruction striking in its simplicity.

Castle Square is the nation's historic stage for momentous events, including where, in 1997, former U.S. President Bill Clinton formally welcomed Poland as a member of NATO. Dominating the square, the monumental red-brick Royal Castle was a stronghold of the dukes of Mazovia in the 14th-century and became one of Europe's most lavish royal palaces during the mid-17th-century. The Throne Room and Knight's Hall brim with authentic period furniture, priceless antiques, tapestries and artistic masterpieces, including two paintings by Rembrandt, The Scholar at the Lectern and The Girl in a Picture Frame.

One of the finest examples of neoclassical architecture in Poland, Łazienki Palace, or the “Palace on the Isle,” is the crowning jewel of Łazienki Park. The park was acquired by King Stanislaw August Poniatowski in 1764 and landscaped over centuries with romantic English-style gardens and French-style manicured lawns that surround palaces, museums and monuments, including the art nouveau Chopin Monument, sculpted by Waclaw Szymanowski, depicting Warsaw’s favorite son.

Cultural Enrichments:
Visit the immersive Warsaw Uprising Museum outlining the history of Poland’s Uprising starting in 1944. Tour the architecturally striking POLIN Museum, the only museum in the world to illustrate, in quite extraordinary detail, Jewish history from the Middle Ages to the present day.

Admire the lavish interiors and splendid grounds, highlights of Warsaw's neoclassical Łazienki Palace.

Experience the palpable aura of veneration that surrounds the Black Madonna of Częstochowa.

Trace Kraków's Jewish history from the 12th century to the present day in Kraków's evocative Kazimierz quarter.
Admire the Royal Castle’s magnificent Canaletto Room’s lauded paintings by Bernardo Belloto (better known in Poland as Canaletto).

Enjoy a specially arranged, private piano recital of Chopin’s music in Łazienki Palace.

**Monastery of Jasna Góra (Częstochowa)**

Częstochowa was established as Poland’s spiritual capital in 1382 when the Hungarian Paulite order erected the hill-top *Jasna Góra* (Bright Hill) Monastery. Today, the monastery’s original Gothic chapel preserves Poland’s national shrine of the Black Madonna, an important Catholic pilgrimage site.

**Cultural Enrichments:**

View an unveiling of the Black Madonna, famous for over 600 years as a miracle worker and guarantor of Poland’s very existence; throughout history, each of Poland’s non-Catholic enemies have attempted to destroy Jasna Góra and failed.

Enjoy a specially arranged, private visit to Częstochowa’s ornate Jasna Góra Library to see 18th-century frescoes, medieval illuminated manuscripts and rare artifacts from the Jagiellonian dynasty.

**Kraków**

For more than one thousand years, Kraków has reigned as the academic, artistic and trading capital of Poland. Kraków emerged from World War II relatively unscathed, and its Old Town is a UNESCO World Heritage site whose unique treasures have been nearly perfectly preserved.

The lively *Rynek Główny* (Main Square) is a remarkable public space ringed by 800-year-old nobleman’s houses and towering spires. Dominating the square, the beautiful Cloth Hall was the epicenter of Kraków’s medieval clothing trade and today its arcaded galleries are home to craft shops and art exhibitions. The 14th-century *Mariacki* (St. Mary’s) Basilica, one of the finest Gothic structures in Poland, is lauded for its extraordinary triptych high altarpiece (1477–89) by Wit Stwosz. From the tower, a lone trumpeter’s haunting call every hour on the hour commemorates the warning of an impending attack by the Tatars in medieval times. Kraków is eternally linked with its beloved son, Pope John Paul II, who lived here for 40 years before he assumed the papacy.

**Cultural Enrichments:**

Enjoy a walking tour of the historic Kazimierz district, known for its Jewish community which thrived from the 14th century until March 1943, now a fashionable enclave of museums, cafés and workshops.

Visit the sublime Czartoryski Museum to see da Vinci’s *Lady with an Ermine*—one of only four portraits of women painted by da Vinci.

Follow in the footsteps of Balzac, Copernicus and Goethe in discovering the unique salt mine carvings in Wieliczka.
Wawel Royal Castle
Overlooking the Vistula River, Wawel Royal Castle has become a cherished national symbol and the nation’s most storied castle complex. For more than 500 years, the castle formed the axis of secular and ecclesiastical power and stood as the home of Polish royalty, where all of Poland’s kings were crowned and buried. The Cathedral of Saints Stanislaus and Wenceslaus is known for its crypt where 45 Gothic, Renaissance and Baroque royal tombs and side chapels showcase a timeline of European artistic movements.

**Cultural Enrichment:**
Discover the richly ornamented chambers of Poland’s Wieliczka Salt Mine, a UNESCO World Heritage site open to visitors since 1772. A prized commodity during the Middle Ages, salt provided the financing for much of Kraków’s architectural splendor. The Chapel of St. Kinga, where stairs, banisters, altar, chandeliers and intricate sculptures are entirely carved from salt, is extraordinary. The chapel’s famed acoustics have provided a concert venue for visiting dignitaries, including late former U.S. President George H.W. Bush.

Oświęcim/Auschwitz-Birkenau
Auschwitz-Birkenau has become the foremost symbol of the Holocaust. On July 2, 1947, it was preserved by the Polish government as the Memorial and Museum Auschwitz-Birkenau, a testament to this epic human tragedy; in 1979 it was designated a UNESCO World Heritage site.

**Cultural Enrichment:**
Enter through the main gate and tour the museum’s exhibits. Bear witness to the tragedy of the Holocaust at the Memorial and Museum Auschwitz-Birkenau.
